*Opium, Queen St, Saturday night*

**HIT:** Host Adam.B kept his bar tab under \$1000 which was a real feat because the worst it's been is three times that.  
**MISS:** It would have been nice if the girl who was supposed to keep the loos tidy hadn't scarpered early leaving a right old mess and it also would have been nice if girlies in high heels hadn't stood on the swanky sofas.
